

## The Paint Box Art Materials for Virtual Camps

These are some of the materials I use in the studio. They are linked to buy through [Island Blue Print](#), [Opus](#) and [Monks](#) for pick up or delivery. Feel free to mix and match the materials to create your own list. You are also welcome to use what every materials you have at home, but if you want the quality that you are used to from The Paint Box, this is what we use!
